

Tenbury Events

Dear friends.

Our Mistletoe Festival day this year is on December 5th.

Unlike last year it will not be based around the Pump Rooms and car park area. Instead we will have a Street Market with proper professional stalls and lights. We will also have stalls in The Royal Oak front car park.

The Market will officially start at 12noon and close at 6pm after the Santa /Lantern Parade through the Market. (of course you may start much earlier if you want to).

There were over 1000 people in town for the Santa/Lantern parade last year with over 400 children taking part. This year we anticipate the numbers being increased to around 500 children from various schools in the area.

All the events of the day will be based around the Street Market and the Regal Cinema area.

Parking is fairly easy close by.

See the table of events on the website www.tenburyevents.com
